

28.83 Acres - Blackshear Highway

Description: This is the perfect property for a homesite or mini farm. With 28.83 acres, you are sure to have enough room for whatever you would like to do. The tract has road frontage on Highway 15, Blackshear Highway, between Baxley and Blackshear. It is located near the intersection of Highway 203 and Blackshear Highway, giving it easy convenience to several local towns in South Georgia. The property is good, usable upland that was in planted pine production until just recently. The timber has now been cut, making it ready to be converted as a homesite or to be prepared for cultivation. You could of course replant pine trees on the property if your goal is to create a timber investment tract. This property will not last long, call today!
