125 ACRE PRIVATE RANCH
TBD Carlton Road | #283285

Explore endless possibilities at this 125-acre ranch! The deluxe ranch/hunting lodge currently under construction boasts high end millwork, soaring 16-foot ceilings, walnut crown molding, repurposed pine and hickory floors, blue granite kitchen counters, and a large primary bath with walk-in closet. The lodge is positioned to maximize natural exposure.

Take advantage of the ample-sized 80'X 30' pole barn complete with an air-conditioned game room and three bays with 20-foot-high roll up bay doors.

Enjoy the outdoors at two ponds, one that is 35-feet deep with a large dock. The solar-assisted generator can run the entire facility.

Continue to build this property as your private retreat, hunting lodge or subdivide it!
