

Highland Estate – 1.24 Acres at 1,300m with Mountain Views & Family Amenities

Discover a serene **1.24-acre** country estate nestled in a cool, green highland setting at **1,300 meters (4,265 feet)** above sea level, offering breathtaking mountain and valley views.

The main residence features three bedrooms (including one en-suite), an additional full bathroom, an open living–dining–kitchen layout, a laundry room, and ample storage space. Outdoor amenities include a spacious covered area for gatherings, parking for up to four vehicles, a children’s play area, and even a small soccer field for family activities.

With all essential utilities in place—water, electricity, and internet—the estate is move-in ready. The gently varied topography and expansive open spaces make it ideal for a private residence, boutique hospitality, or eco-friendly retreat project.

Nearby attractions include national parks, mountain trails, and charming highland towns,

making this location a true natural haven.
